REPORT ON REVIEW OF CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS AL WAHA CAPITAL PJSC

Introduction

We have reviewed the accompanying condensed consolidated statement of financial position of Al Waha Capital PJSC (“the Company”) and its subsidiaries (together referred to as “the Group”) as at 30 June 2020 and the related condensed consolidated statements of profit or loss and profit or loss and other comprehensive income for the three and six month periods then ended and the condensed consolidated statements of changes in equity and cash flows for the six month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard 34, Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated financial statements of the Group are not prepared, in all material respects, in accordance with IAS 34.

Notes to the condensed consolidated financial statements

1 Legal status and principal activities

Al Waha Capital PJSC ("the Company") is a public joint stock company with limited liability, formed in the Emirate of Abu Dhabi, United Arab Emirates, by Emiri Decree No. 10 dated 20 May 1997 and incorporated on 12 July 1997.

These condensed consolidated financial statements for the six month period ended 30 June 2020 comprise the results and financial position of the Company and its subsidiaries (collectively referred to as "the Group") and the Group's interest in associates and jointly controlled entities ("associates and joint ventures").

The Group invests in a wide range of sectors, including financial services, capital markets, industrial real estate, infrastructure, healthcare, oil and gas, fintech and maritime services.

The Group's consolidated financial statements for the year ended 31 December 2019 are available on its website www.wahacapital.ae and also upon request at the Company's registered office at P.O. Box 28922, Etihad Towers, 42nd floor, Tower 3, Abu Dhabi, UAE.

2 Basis of preparation

These condensed consolidated financial statements have been prepared in accordance with IAS 34 *Interim Financial Reporting*. They do not include all the information required for full annual consolidated financial statements and should be read in conjunction with the consolidated financial statements of the Group as at and for the year ended 31 December 2019.

3 Significant accounting policies

The significant accounting policies, risk management principles, methods of computation and estimates applied by the Group in these condensed consolidated financial statements are the same as those applied by the Group in the preparation of the consolidated financial statements as at and for the year ended 31 December 2019, except for the adoption of new standards effective as of 1 January 2020. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

New and revised IFRSs effective in 2020

The Group has applied, for the first time, several new standards and amendments in 2020, as stated below:

- Amendments to references to the conceptual framework in IFRS standards
- Amendments to IFRS 3 regarding to definition of a business
- Amendments to IAS 1 and IAS 8 regarding definition of material
- Amendments to IFRS 9, IAS 39 and IFRS 7 regarding interest rate benchmark reform
- Amendments to IFRS 16 relating to Covid-19-Related Rent Concessions

The adoption of these standards have no material impact on the condensed consolidated financial statements of the Group.

Key sources of estimation uncertainty

On 11 March 2020, the World Health Organization made an assessment that the outbreak of a coronavirus (COVID-19) can be characterized as a pandemic. In addition, oil prices significantly dropped in January to March 2020 due to a number of political and economic factors. As a result, businesses have subsequently seen reduced customer traffic and, where governments mandated, temporary suspension of travel and closure of recreation and public facilities.

To alleviate the negative impact of the COVID-19 pandemic, the UAE Government, Central Bank and other independent jurisdictions and regulators have taken measures and issued directives to support businesses and the UAE economy at large, including extensions of deadlines, facilitating continued business through social-distancing and easing pressure on credit and liquidity in the UAE.

The situation, including the government and public response to the challenges, continue to progress and rapidly evolve. Therefore, the extent and duration of the impact of these conditions remain uncertain and depend on future developments that cannot be accurately predicted at this stage, and a reliable estimate of such an impact cannot be made at the date of approval of these financial statements. Notwithstanding, these developments could impact our future financial results, cash flows and financial position.

4 Fair values

a Fair value hierarchy

The Group uses the following hierarchy for determining the fair value of financial assets and liabilities by valuation technique:

Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: inputs are unobservable for the asset or liability.
